

RR Mergers Announces sale of Lone Star Railroad Contractors to GCF Track Services

St. Louis, Missouri - August 8, 2023 - RR Mergers & Acquisitions is pleased to announce its client; Lone Star Railroad Contractors has been acquired by GCF Track Services, Inc.

Founded in 1993, Lone Star Railroad Contractors provides railroad maintenance service throughout the Southwest U.S. serving a broad range of customers in markets including agriculture, building materials, consumer products, energy, and steel.

Lone Star Railroad Contractors operates from its headquarters in Ennis, Texas with facilities in Amarillo and San Antonio, Texas, Blytheville, Arkansas, and Oklahoma City, Oklahoma.

Headquartered in Rome, Italy, GCF operates in the railway infrastructures, electrification, signaling and maintenance sector. With over 60 years of operations and experiences, GCF has consolidated its role in the Italian railway market and continues to strengthen its presence throughout Europe, Canada and with this acquisition, has expanded their reach into the U.S. rail market.

“This acquisition expands GCF’s reach into the U.S. rail market and leaves us well positioned to build upon the successful legacy of Lone Star Railroad Contractors.” said Edoardo Rossi, President of GCF.

The sale of Lone Star Railroad Contractors represents another prominent transaction for RR Mergers rail-focused industry practice.
