RR Mergers Advises A. Stucki Company on its sale of Wyoming based Dimec Railcar Repair Operations to Wasatch Railroad Contractors

July 7, 2015 – RR Mergers & Acquisitions, specialist in the sale of rail service and supplier companies, announces the sale of the Shoshoni, Wyoming Dimec Railcar Repair Operations to Cheyenne, Wyoming based Wasatch Railroad Contractors.

Dimec Rail Services, a division of A. Stucki Company, continues all of their mobile rail car repair, fabrication and welding services from their existing locations across the U.S.

Wasatch specializes in railcar repair and restoration, with locations in Stearns, Kentucky and Cheyenne, Wyoming. Wasatch plans to expand railcar repair services offered from the Shoshoni, Wyoming facility.
