

RR Mergers Facilitates Transaction Between TCR Rail Systems and Rail Investments

St. Louis, November 30, 2023 - RR Mergers & Acquisitions is pleased to announce the sale of TCR Rail Systems (TCR) to Rail Investments, LLC.

Headquartered in Simpsonville, Kentucky, TCR Rail Systems provides turn-key signal communications solutions to Class 1, Short Line and Transit customers throughout North America.

TCR services its customers in all aspects of signal communications; engineering development, designing, manufacturing, integrating, installing and servicing signaling and communications products and systems.

Chris and Tom Ramey will continue in their day-to-day roles with TCR Rail Systems and help drive the company's next phase of growth.

Rail Investments' experienced principals, John Cira, Bill Kiefer, Mike Powers, Rich Regan and Rick Turner have a combined 200-plus years of executive-level expertise in financial institutions, management, marketing, accounting and railroad supply. Their portfolio includes Superior Sales & Service, a custom manufacturer of railroad maintenance of way equipment.

Specializing in the sale of rail-focused companies, RR Mergers facilitated the transaction between TCR Rail Systems and Rail Investments, LLC.
